

Welcome to Millstone where southern hospitality is brought north. Our goal at Millstone is that you are greeted warmly and that you go home with a satisfied smile. All of our meats are smoked on site, some for up to 18 hours, to ensure moist and tender meat that virtually melts in your mouth. You will notice a pink hue inside all of our slow smoked meats called the smoke ring. We hope you savor this unique flavor and that it calls you to visit again and again. You are important to us at Millstone. Thank you for coming and enjoy your meal!
